1. The above results have been reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on July 30, 2020. The Statutory Auditors of the Company have carried out a limited review of the results for the quarter ended June 30, 2020.

The above is an extract of the detailed format of the financial results for the quarter ended on June 30, 2020 filed with the Stock Exchanges under Regulation 33 of the SEBI (Listing Obligations and Disclosure requirements) Regulations, 2015.

The shipping and offshore operations of the Group have continued, albeit with certain disruptions, following multi-country COVID-19 3. lockdowns. Operational challenges arising due to lockdowns including movement of manpower and materials are being appropriately addressed by the Management.

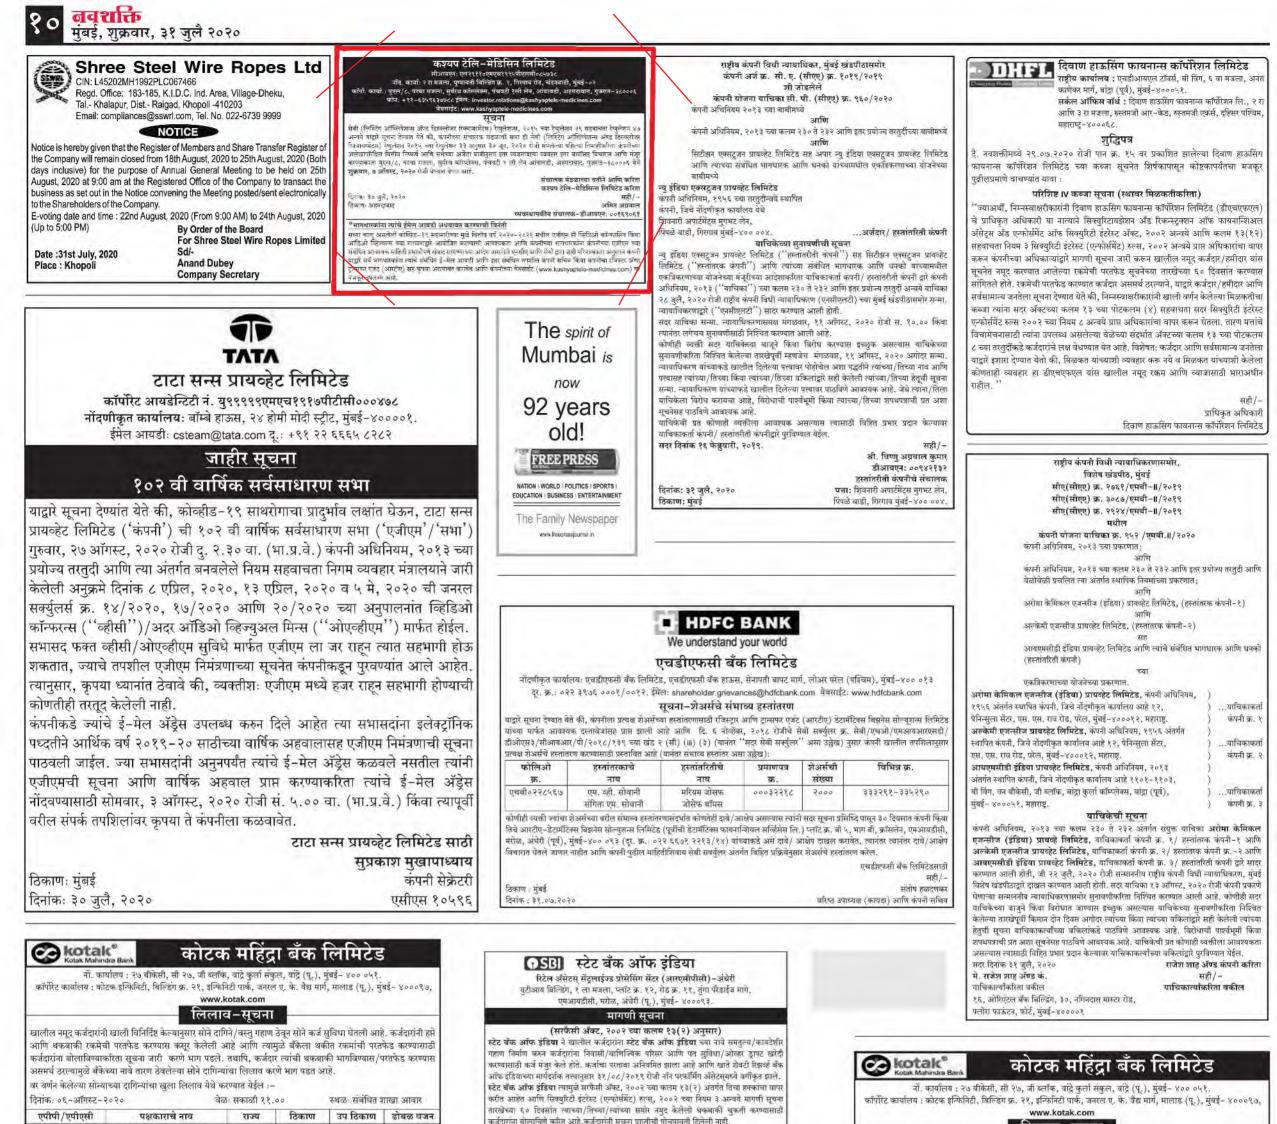

Offshore assets under term contracts with reputed customers continue to operate as per original schedules. For shipping, the impact of COVID-19 pandemic has been different across different types of assets. The volatility of freight rates has been higher than usual in some cases, but ships have continued to be deployed. Such enhanced volatility in markets has not materially impacted longterm rates considered in assessing recoverable amounts of the property, plant and equipment. The possible effects from the pandemic on the carrying amounts of receivables and unbilled revenues have been assessed, and carrying amounts of such assets are expected to be fully recoverable. The Group has adequate resources to meet its financial obligations in the foreseeable future.

The impact of COVID-19 may differ from that estimated as at the date of approval of these financial results

- During the quarter, the Company has formed a wholly owned subsidiary in India viz. Great Eastern Services Limited, with main objects 4. of providing allied shipping services.
- Effective April 1, 2019, the Company has adopted Ind AS 116, Leases, as a lessee, using modified retrospective approach with the 5. right-to-use getting measured at an amount equal to the lease liability immediately before the date of initial application. Accordingly, the comparatives have not been retrospectively adjusted. From recognition and measurement perspective, the adoption of the standard did not have any material impact on these financial results.
- The financial results for the quarter ended June 30, 2020, are available on the Bombay Stock Exchange website (URL: www.bseindia.com/ corporates), the National Stock Exchange website (URL: www.nseindia.com/corporates) and on the Company website (URL: www.greatship.com/financial_result.html).

SARDAR SAROVAR DAM LEVEL RISES, 11M SHORT OF FULL CAPACITY

Ahmedabad: Though the monsoon has just arrived in Gujarat, the water level of the Sardar Sarovar Dam over Narmada river is rising fast and has reached 127.46 metres, just 11 metres short of its maximum capacity, officials said on Thursday. With the fresh inflow of upstream water, mainly from the Omkareshwar and Indira Sagar dams located in Madhya Pradesh,

the live water storage of the dam has reached up to 2,700 million cubic metres, they said. "The water level of the reservoir has reached 127.46 metres," Sardar Sarovar Narmada Nigam Limited Director P C Vyas said. This is just just 11.22 metres short of its full reservoir level of 138.68 metres. -Agencies

Gujarat Congress leader Paresh Dhanani had moved the Apex Court, challenging the Election Commission's order to allow voting through postal ballots for the first time on account of the MLA entitled for voting down with the corona virus.

Senior counsel Abhishek Manu Singhvi appearing for Dhanani asserted that the postal ballots may be misused for "proxy votes," but CJI Sharad Arvind Bobde presiding over the Bench refused to oblige, noting that any irregularity in the polls can be challenged through election petition. Singhvi did not cut ice with his plea that it was not the matter of Gujarat alone since the postal ballots may vitiate the elections in six other states as well that are slated on Friday. The Election Commission

Much to the chagrin of industries and businesses expecting the migrant labourers return for work sooner or later. PM Modi will launch on Saturday a Garib Kalyan Rojgar Abhiyan to assure them work in own villages in six states of Bihar, Uttar Pradesh, Madhya Pradesh, Rajasthan, Jharkhand and Odisha to encourage them never go back and become part of the economic surge of the rural India.

The scheme to provide livelihood opportunities to the returnee migrants will cover 116 districts of these six states that accounted for about two-third of the migrant workers. The campaign is to be launched by Modi through video conference with Bihar chief minister Nitish Kumar and deputy chief minister Sushil Kumar Modi from Bihar's Telihar village in Khagaria district. Also joining the virtual launch will be the chief ministers of other five states.

The campaign envisages 125 days of the mission mode drive to intensify and focus implementation of 25 different types of works to be provided for the migrants on one hand and create infrastructure in the rural areas with a resource envelope of Rs

The Prime Minister is also trying to put into action various plans declared by the government last month as

part of the economic package to revive the economy as the first was his launch of the auction process of 41 coal blocks for commercial mining through a video conference on Thursday. He said privatisation of the coal mines will help India in becoming self-reliant in coal as part of the AatmaNirbhar Bharat to reduce dependency on imports.

Meanwhile, PM Modi on Thursday said business activity in India is fast returning to normal levels with consumption and demand fast approaching pre-COVID levels as visible in macro data on power, fuel and other consumption.

India faced a recessionlike scenario after a national lockdown was imposed on March 25 to curb spread of coronavirus. The lockdown, that has continued in various phases into June, albeit with significant easing of restrictions, resulted in the severe disruption of industrial production and consumer spending, with GDP growth forecast to contract sharply.

With the easing of lockdown conditions, business activity was fast returning to normal levels, Modi said.

At the launch of commercial coal mining, he said "consumption and demand are fast approaching pre-COVID levels

overwhelming stillness pervading the entire foothills, instead of the chants of Saranam Ayyappa, is closing on Friday, without giving darshan to devotees.

The temple administration and the Devasvom Board, which runs it, had asked devotees to stay away as part of the Covid-19 lockdown. The annual festival has

similarly been called off, which is also rare occurrence.

The state government had announced earlier that the Sabarimala temple would open for pilgrimage on June 14 as the nation announced Unlock 1. But stiff opposition from Hindu groups and the BJP forced a rethink after most places of worship belonging to Christian and Muslim communities voluntarily decided to keep the churches and mosques in view of the heightened Covid

risk. Similarly, in Guruvayur, the other most prominent temple run by the Devaswom Board, decided to deny access to devotees after it was initially announced that the famous temple would reopen on June 9 for darshan to public.

The temple had also announced the reopening of the premises for marriage, a favourite venue for marriage by the devout, subject to a maximum of 60 weddings per day, with the participation of 10 people from both

heads 3) Repeated misbehaviour and unacceptable attitude of the management despite unconditional support to the institution' Doctors told FPJ, "In May end, the management asked us to go on force leave for six days so that our salaries for those days can be slashed. This month also we were being pressured to go on leave so that the management can save money by deducing the salary 'officially'." The doctors allege that the management was not ready to hold talks to resolve the issue

hence they were left with no option but to put in their papers. All 30 doctors are now sitting at home.

The Mayo medical college has a 750-bed hospital attached where 200 doctors are working in different capacities. More doctors are likely to quit in the coming days, says a doctor. Dr Neeraj Mishra, former head of doctors and resident doctors association, says, "This kind of treatment with corona warriors is appalling. The management must stop doing such tricks to harass the docs." Dean Dr JP Roy remained unavailable.

I was a labourer myself, can go to jail thousand times for my brethren: Lallu

Congress chief addresses his first media meet after coming out of jail OUR CORRESPONDENT Lucknow

Congress Uttar Pradesh Ajau Kumar Lallu, who was released from jail Wednesday evening after almost 27 days, launched a verbal attack on UP chief minister Yogi Adityanath in his first press conference after his release Thursday.

"The Yogi government's autocratic regime can't stop us from serving the poor. I am myself a labourer and understand their pain. I am willing to go to jail a thousand times for my brethren," Lallu asserted

He alleged it was more evident now that the BJP government was anti-poor and didn't want that any relief reaches to the poor.

Lallu was accused of furnishing false information, criminal conspiracy, etc. related to the arrangement of buses by Congress for transporting migrant labourers. The government had alleged that the Congress submitted fake documents for over a few dozen buses among over

1,100 vehicles. Priyanka Gandhi's personal secretary Sandeep Singh was also accused in the case, but never arrested.

A bench of Justice Attau Rahman Masoodi granted bail to Lallu with certain conditions. The High Court directed Lallu to file an undertaking to the effect that he shall not seek any adjournment on the dates fixed for evidence when the witnesses are present in court.
